

Report on VECC Swachhata Action Plan (SAP) for the period from July to September, 2022

In tune with the year-long swachhata activities, VECC Swachhata committee is also committed to the execution of various programme initiated by the Government of India. Azadi Ka Amrit Mahotsav was such an initiative of the government to celebrate and commemorate 75 years of independence and the glorious history of its people, culture and achievements. This celebration is dedicated to the people of India who have not only been instrumental in bringing India in its evolutionary journey but also hold within them the power and potential to enable Prime Minister's vision of activating India 2.0 powered by the spirit of Aatmanirbhar Bharat. VECC Swachhata Committee too carried out various events in association with the Azadi Ka Amrit Mahotsav committee of VECC, during the period of DAE iconic week 22-28 August, 2022.

BRIKSHAROPAN UTSAB:

On 22nd August, 2022, VECC Swachhata Committee was instrumental in organizing the BRIKSHAROPAN UTSAB at the Medical Cyclotron Facility campus. The extensive tree plantation programme was motivated by the "green campus campaign". Around 50 saplings of different varieties including the ones which will grow in the next 75 years were planted.
