Sub : Switchover to new portal in Works Contract Procedure

Variable Energy Cyclotron Centre has switched over to the Central Public Procurement Portal (CPPP) of the Government of India for tenders processed under Works Contract. All future tenders will be uploaded to CPPP portal only and vendors will require to submit their offers on-line using CPPP portal. The instructions given below are meant to assist the vendors for registering on the CPP portal:

- Vendors are required to enrol on the e-procurement module of the central procurement portal by clicking on the link “Online bidder Enrolment”, which is free of charge.
(URL : <https://eprocure.gov.in/eprocure/app>).
- As part of enrolment process, the vendors will be required to choose a unique username and assign a password for their account.
- Vendors are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPPP portal.
- Upon enrolment, the vendors will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usages) issued by any Certifying Authority recognized by CCA India (e.g. Sify, nCode, eMudhra etc.), with their profile.

All vendors who have been participating in different tenders under works contract procedure of our centre, are encouraged to register in CPPP portal so that they can submit their valuable offers in future tender enquiries. For any further enquiry regarding the registration process or submitting offers etc., vendors should contact help desk of CPPP portal only.
